I. Brief Introduction to the Chinese Government Scholarship Programs

Chinese University Program is a full scholarship for designated Chinese universities and certain provincial education offices in specific provinces or autonomous regions to recruit outstanding international students for graduate studies in China. It only supports **graduate** students.

Application Time: Between 11th January and 11th April, 2016.

Criteria and Eligibility:

1. Applicants must be non-Chinese citizens and in good health.
2. Education background and age limit:
 - Applicants for **master's degree programs** must have bachelor's degree and be under the age of 35.
 - Applicants for **doctoral programs** must have master's degree and be under the age of 40.

Benefits of Chinese Government Scholarship

- Exempt from registration fee, tuition fee and fee for dormitory on campus;

- Living allowance:

Master's degree students: CNY 3,000 per month

Doctoral degree students: CNY 3,500 per month

NOTE: *Students registering on or before the 15th of the month will receive a full stipend of that month. Those who register after the 15th of the month will receive a half stipend of that month. Graduating students will receive stipend until half month after the graduation date. If registered student stays out of China for more than 15 days due to a personal reason (school holidays excluded), his stipend will be stopped during his leaving.*

-Comprehensive Medical Insurance:

Please visit <http://www.csc.edu.cn/laihua> or <http://www.campuschina.org> and refer to Comprehensive Insurance & Protection Scheme for Foreigners Staying in China for insurance policy.

Application Documents:

(Applicants should submit TWO sets of documents. No application documents will be returned)

1. **Application Form for Chinese Government Scholarship** (written in Chinese or English).

Agency Number: 10060

CSC Online Application System for Study in China can be obtained at:

<http://laihua.csc.edu.cn/inscholarship/jsp/student/StudentLogin.jsp>

You can register and fill in the application form online. After submission of the form, you can download your application form from the system, and sign it and submit it together with the following documents to the Tianjin University of Technology.

The application form also can be downloaded at:

<http://www.csc.edu.cn/uploads/来华/中国政府奖申请表.pdf>

NOTE: *Those who cannot apply online can also get the application form from the Chinese Embassy.*

2. **Notarized Highest diploma:**

Prospective diploma recipients must submit official document issued by your current school to prove your current student status or expected graduation date. Documents in languages other than Chinese or English must be attached with notarized Chinese or English translations.

3. **Notarized Academic transcripts/grades:**

Transcripts in languages other than Chinese or English must be attached with notarized translations in Chinese or English.

4. A Study Plan or Research Proposal:

All applicants are required to submit a study plan regarding their proposed field of study and intended career, as well as reasons to study in China. It must be in Chinese or in English (no less than 800 words).

5. Two Recommendation Letters (written in Chinese or English):

Applicants must submit two recommendation letters signed by a professor or an associate professor.

6. A CD of your own works (only required for Arts students):

Applicants for the fine arts programs must submit a CD of their own works which include two sketches, two color paintings and two other works.

7. Photocopy of Foreigner Physical Examination Form (The original copy should be kept by the applicant) :

The form printed by Chinese quarantine authority can be downloaded from:

<http://www.csc.edu.cn> or obtained from the Chinese Embassy.

The medical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital or a sealed photograph of the applicants are invalid. Please carefully plan your examination schedule as it is valid for only 6 months.

8. The copy of valid HSK Certificate (if available):

NOTE: All documents should be bound together on top left corner in the order of 1-8.

II. List of the Subjects of Study Offered by Tianjin University of Technology

Master's Programs (2.2-3years)

School of Computer Science and Technology

Communication and Information System (2.5 years)

Computer Science and Technology (2.5 years)

Software Engineering (2.5 years)

School of Electrical Engineering

Electrical Engineering (2.5 years)

Control Science and Engineering (2.5 years)

School of Materials Science and Engineering

Materials Science and Engineering (2.5 years)

Condensed Matter Physics (3 years)

Management School

Industrial Economics (2.5 years)

Management Science and Engineering (2.5 years)

Engineering Management (2.5 years)

Accountancy (2.5 years)

Enterprise Management (2.5 years)

Technical Economics and Management (2.5 years)

School of Mechanical Engineering

Mechanical Manufacturing Automation (2.5 years)

Mechatronic Engineering (2.5 years)

Mechanical Design and Theory (2.5 years)

School of Political Science and Law

Sociology (2.5 years)

Educational Economics and Management (2.5 years)

School of Electronics Information and Communication Engineering

Optics Engineering (2.5 years)

Electronics Science and Technology (2.5)

School of Environmental Science and Safety Engineering

Environmental Science and Engineering (3 years)

Safety Science and Engineering (2.5 years)

School of Political Science and Law

Sociology (2.5 years)

Educational Economics and Management (2.5 years)

School of Chemistry and Chemical Engineering

Chemical Engineering and Technology (2.5 years)

Medicinal Chemistry (2.5 years)

School of Science

Applied Mathematics (3 years)

Physics (3 years)

School of Arts

Design Science (2.5 years)

International College of Business and Technology

Global Management and Innovation of Enterprises (2.5 years)

PhD Programs (3 years)

School of Materials Science and Engineering

Materials Science and Engineering (3 years)

School of Computer Science and Technology

Computer Science and Technology (3 years)

Management School

Management Science and Technology (3 years)

Important Notice:

1. All graduate programs are conducted in Chinese language. And within the program, students who do not have a certain Chinese language skill are mandatory to study Chinese for one or two years in China before they go on with their majors.
2. International airfares between your country and China will be covered by students themselves.
